**DECISION and ORDER**

Plaintiff, William Davidson, commenced this civil rights action in November 2010, pursuant to 42 U.S.C. § 1983. By Order dated January 6, 2011, plaintiff was afforded the opportunity to submit an amended complaint. The plaintiff has now submitted a purported amended complaint (Docket No. 6) which is rambling and incoherent. The Honorable Randolph F. Treece, United States Magistrate Judge, has filed a second Report-Recommendation and Order dated January 21, 2011, wherein he recommends that the action be dismissed due to plaintiff's failure to state a claim or to comply with Fed. R. Civ. P 8 and 10. No objections to the Report-Recommendation have been filed.

Based upon a careful review of the file, and the recommendations of Magistrate Judge Treece, the Report-Recommendation is accepted and adopted in all respects. See 28 U.S.C. 636(b)(1).

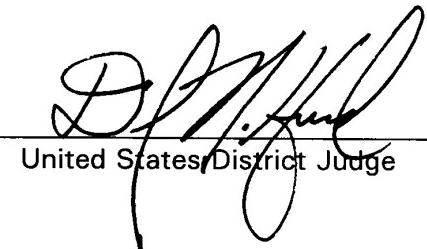

Accordingly, it is

ORDERED that

1. The amended complaint is DISMISSED;
2. The action is DISMISSED in its entirety; and
3. The Clerk is directed to serve the plaintiff with a copy of this order and close the

file.

IT IS SO ORDERED.
